10th CII India LAC Conclave

AWPM was honored to be invited to the 10th CII India-LAC Conclave held in New Delhi on 19-20 March, 2025. Representing the Indian welding industry, AWPM explored strategic collaborations & growth opportunities with LAC nations.

The event fostered vital connections, encouraged technology partnerships, & strengthened India's global industrial presence—supporting AWPM's mission to elevate the welding sector through international engagement & innovation.

AWPM Members Join Ministry of Commerce & Industry's Indian Business Delegation

Three esteemed member companies of the AWPM were part of the official Indian business delegation led by Hon'ble Minister of Commerce & Industry Shri Piyush Goyal Ji to France, Italy, Switzerland, and Sweden from 3rd to 13th June, 2025.

Representing the cutting-edge of Indian welding and manufacturing excellence were:

Mr. Pankaj Jain, Wearresist Technologies Pvt. Ltd.
Mr. Nimesh Chinoy, SigmaWeld Products Pvt. Ltd.
Mr. Hardik Sanghvi, Royal Arc Electrodes Ltd.

During this high-level delegation, our members:

- Showcased "Make in India" capabilities in welding technology
- Explored technology tie-ups and sustainable manufacturing partnerships
- Engaged with global CEOs, policymakers & innovation leaders
- Walked the red carpet of opportunity laid out by European counterparts

Strengthening Indo-German Collaboration In Welding Technology

AWPM had the privilege of hosting a high-level meeting with representatives from the Indo-German Chamber of Commerce (IGCC) at our Mumbai office, reinforcing our shared commitment to technological excellence and industrial growth.

The meeting was graced by Ms. Ute Brockmann, Deputy Director General, IGCC, & Ms. Chaitra Dole, Manager-Outbound Services, who shared valuable insights into Germany's approach to industry development, collaboration, and innovation.

AWPM was represented by its core leadership – Mr. Pankaj Jain, Chairman, Mr. Nimesh Chinoy, Secretary, Mr. Monil Shah, Treasurer, Mr. Sanjay Anand, Secretary General and Mr. Vilas Tamboli, Advisor

Both sides delivered detailed presentations highlighting potential areas of collaboration, including advanced welding technologies, skill development programs, and joint industrial initiatives.

Strategic Collaboration with DVS & EWA

We are proud to announce a landmark collaboration with the German Welding Society (DVS) and the European Welding Association (EWA) to promote excellence in welding technology, training, and skill development.

This partnership signifies a new chapter in fostering global knowledge exchange, technological advancement, and standardization in welding practices, aligned with the evolving demands of Industry 4.0 and green manufacturing.

Through initiatives such as these, AWPM reaffirms its mission to **unlock global business opportunities, strengthen R&D partnerships, and support skill development** aligned with Viksit Bharat 2047, Make in India, and Skill India goals.

If you are part of India's welding industry and looking to join a network that opens doors to a global network, **you should be a part of AWPM's elite group.**

Don't miss the chance to grow with us!
